Subject to credit approval. Actual rates, fees, and terms are based on those offered as of the date of application and are subject to change without notice. Actual rates and payment amounts will vary and are determined by your collateral, term, loan amount, and credit qualifications.

<sup>1</sup>Pool loans leveraging the marketing code 'POOL2021' will receive a 0.25% APR discount from the stated rate from Personal Secured rate sheet.

If you were to borrow \$40,000 for 144 months and qualify for Key's as-low-as rate of 6.13% APR, as of 6/1/21, your monthly payment would be \$394.26. The APR may vary based on the state of residence. The 6.13% APR is an average APR charged by KeyBank across Key's footprint (OH, IN, MI, PA, NY, MA, CT, VT, ME, CO, ID, UT, WA, OR, AK) and contains a \$125 origination fee, and includes 0.25% discount for electing to have the monthly payment automatically deducted from a KeyBank Checking or Savings Account.

<sup>2</sup>A minimum 10% down payment is required and is based on your credit qualifications. KeyBank will finance a maximum of 90% of the total pool project cost.

<sup>3</sup>Income verification, such as pay stubs, tax returns, or personal financial statements, may be needed based on your qualifications. You do not have to disclose income from alimony, child support, or other maintenance unless you want to consider it for obtaining this loan.
